

Submit a request to provide testimony at the 01/12/2024 Public Safety meeting.

Public can speak to bills in this House Committee meeting by attending remotely via Zoom™ and speaking to Delegates. Submitting written testimony can also be submitted for review by the committee. These testimony methods can be used together.

NOTE: Due to time constraints, not all citizens who sign up to speak will be able to do so and will not receive a Zoom invite. However, written comments are always provided to committee members for review. All streaming committee meetings are shown on the House Meeting Schedule.

Public signup to speak before a committee closes at midnight for morning meetings and noon for afternoon meetings.

Public signup to speak remotely requests are currently closed for this meeting. Written feedback may still be submitted below.
