Please use the attached timesheet to account for your hours over the next 5 weeks, **keeping it to a total of 25 hours.**

Remember to also include our MWEE discussions (emails & phone calls) with each other in addition to the approved MWEE projects.

I trust your best accounting of time.

You will need to email me your timesheets by June 30, 2020.

If you are not able to print out or digitally add the information into the timesheet let me know.

I'm very glad that we have productive work to do together.

Lauriston
