

Sign posted in Colorado as seen by Fauquier County Route 17 Traffic Calming Citizen in August 2022 during vacation travels

This type sign needed in Fauquier County for Route 17 that as of 2022 VDOT data has 856,000 Tractor Trailers using between Marshall to Warrenton VDOT counters. Per Inland Marine Port email 2022 the tractor trailer traffic deliveries is 30% LESS than normal yearly growth due to COVID and other current issues affecting commerce cargo supply and demand. Loud Engine Braking (Jake Braking) is serious problem on Route 17 affecting thousands of homeowners along Route 17 and is alarming to many automobile drivers. The Jake Brake noise is caused by out of calibration or purposely modified exhaust systems when a Jake Brake is used which was designed to be a EMERGENCY braking downhill heavy load situation.
