

**TO: Members, House Transportation Committee**  
**FROM: Virginia League of Conservation Voters**  
**DATE: January 23, 2024**  
**RE: Virginia LCV Legislative Positions – 1/23/24 House Transportation Committee**

Today, January 23, the House Transportation Committee will consider: **HB 285**

We encourage you to **SUPPORT HB285**

**[HB 285 \(McQuinn\) Uniform Statewide Building Code; bus shelters.](#)**

**This Legislation Would:**

- Streamline the bus stop improvement process and eliminate unnecessary delays.
- Accelerate deployment of Transit Ridership Incentive Program (TRIP) funds to improve the accessibility and safety of our bust transit system’s bus stops and last-foot infrastructure.

If you have any questions about our position, please contact Michael Town, Executive Director of Virginia LCV, at [mtown@valcv.org](mailto:mtown@valcv.org), or Chris Leyen, Policy Director, at [cleyen@valcv.org](mailto:cleyen@valcv.org).
