

# Because of trickery, lies and racism

## Richmond Casino should have a Referendum in 2023

"I call on the American people to reflect on the deep roots of racial terror in our Nation and recommit to the work of rooting out systemic racism across our country," **President Joe Biden** said in a proclamation

Doing the campaign Richmond voters listened to the trickery and the lies and the false promises put out my **VOTE NO RVA CASINO**.

"The industry purposely targets Black, brown and poor white communities."

RICHMOND SCHOOL BOARD MEMBER STEPHANIE RIZZI:  
NOT ALL THAT GLITTERS IS GOLD; NO CASINO FOR RICHMOND" BY STEPHANIE RIZZI, BLUE VIRGINIA

## **VOTE NO RVA CASINO was organized to stop Richmond Casino**

Could it be because this is the only casino in Virginia being developed by a Woman or the only casino being developed by a Black own company?

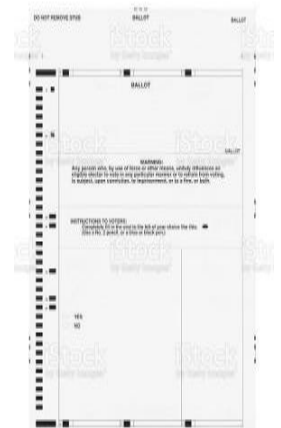

**Vote No RVA Casino** spent \$231,225 putting out false information about One Casino & Resort. Leading Richmond voters to believe the casino would exploit Black, Brown & Poor White communities. Richmond voters should have an opportunity to cast a vote based on the truth and not trickery and lies. Why haven't anyone mentioned the same concerns in Petersburg, Norfolk, Danville, Bristol or Portsmouth?
