

Good morning: My name is Robert Dean, a former member of the Virginia Beach City Council and a strong supporter of our Constitutional Republic which provides a representative form of government.

Senate Bill 1524 provides we the people the right to vote in a special election for a replacement representative when a vacancy occurs.

Please make make George Washington and James Madison proud by supporting the peoples' right to choose their representative by voting for SB 1524.

Thank you,

Robert K. Dean
Virginia Beach, VA
