I'm Bradley S. I've been in Landmark Oxford chapter 5 since June of 2020. This place has allowed me to stay on the straight + narrow. ~~keeping my job~~ Getting a job and staying employed. Helped me be able to save money to get my Drivers License back after 5 years. Buy a car and still maintain Sobriety. If I didn't have this opportunity I'd probably still be caught in the cycle of Being in and out of the Salvation Army ARC. Which is a very difficult place to finish the program. And be out on your own. It's a very scary exit. And ~~if~~ if it wasn't for Oxford House Va. who knows where I'd be if not in the grounds. So please keep Oxford going the way it is. Let's not try to fix something that's not Broken
